- Competent in risk assessment, safety plans, crisis intervention, behavior management, case management and patient care coordination.

### **The Perks!**

- Excellent full benefits package, including medical, dental, vision, EAP and 401k matching!
- Paid vacation, sick, and holiday, including your birthday!
- Training, Educational Reimbursement and Clinical Supervision
- Free meals while working
- Work with a Supportive, Collaborative, Caring and Compassionate Team!
- Opportunity to work with a 100% private non-profit managed agency in Central Oregon!

### **Job Summary**

The Behavioral Health-Care Coordinator is a core member of the Residential Treatment Team and is responsible for supporting the coordination, engagement and follow-up in clinically indicated behavioral and physical health services for a caseload of up to 24 adolescent clients in the residential treatment program. They regularly consult with clients and their families to determine their needs, coordinate services, educate them about their conditions and options, and evaluate progress and interventions. They also participate in regular care coordination team meetings with educational, medical, psychiatric, other behavioral health and juvenile justice providers and communicate resulting treatment recommendations to the Residential treatment team.
